Subject: Thank you so much from Pack 279!

I just wanted to let you know that the Cub Scout Christmas party was a huge success, and your generosity played a big part in that success!

Charisse and Karen, thanks for helping to get the suit ready and available. I realize it was a busy week for you, and I appreciate your extra effort.

Mike (Santa), you were quite a hit, and you were a good sport to the older kids who don't quite believe any longer! Thanks for taking an evening and volunteering it for our Cub Scout pack!

Here are a couple of pictures of the party. The first one is Santa in action (my son is next to him on the floor helping pass out presents, by the way!) The second one is of me and two other den leaders taking part in a skit, dancing the hula to "Mele Kalikimaka"!

Merry Christmas!
